Trustee Trapp questioned how the tickets/incidents in Tivoli are incurred since they contract with DC Sheriff. Some V&T infractions nearby can end in Tivoli Court. Mayor Blundell reviewed the current report and noted not all are traffic related. He will check with Sgt. Hildenbrand.
PLANNING / ZONING

Trustee Trapp read the following planning/zoning report:

Building Permits - 10
Certificates of Occupancy - 0
Certificates of Compliance - 3
Municipal Searches - 2
Order to Remedy - 2

$1,396.75 was collected in fees.

WATER

Trustee Laing read the following water report:

During the month of August the treatment facility treated 7,433,400 total gallons, which is an average of 239,800 gallons per day.
During the month of August the water treatment plant used 90 gallons of sodium hypochlorite. The average daily use was 2.90 gallons per day.

Mayor Blundell stated there are items listed on the report document that warrant a re-design of our operation. The Village was seeking to develop a fully internal means of administration and management of the water department but it is not working out. Staff based water ops was one goal but the required certification has still not been obtained by the designated person. Office Admin person did not work out either and has left our employment. We still need a certified operator and have that in place, but this only manages the pumping and treatment aspect of the operation. There are still maintenance, repairs, billing, accounting, software utilization issues. It is far too important a task and we will utilize our engineer’s office to help address open ite. A priority list will be made and recommendations to begin fixing problems.

EVENTS:
Hardscrabble Day will be Saturday, September 21, with music, food, vendors, children’s activities and a parade at 4:30. John Waite will be our headliner. We still have some room for vendors, please go to hardscrabbleday.org for more information.

Village Halloween will be Saturday, October 26. Details to follow.

MATERIALS MANAGEMENT

We sold $3465 in garbage tags and paid out $858.92. We had 7.98 tons of garbage and 3.01 tons of recycling: .48 cardboard, 1.29 paper and 1.24 commingled. Due to global issues our recycling needs to be separated, and alternates every other week with commingled and separated cardboard and paper.

VILLAGE OF RED HOOK
HIGHWAY DEPARTMENT
MONTHLY REPORT
AUGUST, 2019

1. The Highway Department is currently picking up brush and lawn debris on every first and third Monday of the month (schedule and time permitting).

   Residents are reminded to place lawn debris curbside and not in the street. Please limit the size of the brush pile to 6’ x 6’ x 6’ with tree limbs/branches no larger than 6” in diameter. Brush that includes tree trunks, stumps, grass clippings or building materials will not be picked up.

2. All paving, sidewalk restoration, catch basin and grate repairs have been completed at two locations on East Market Street and three locations on West Market Street. The estimated cost of $11,500 plus additional costs for providing additional catch basin frames and grates, will be deducted from FY2019-2020 Maintenance of Streets/Street Maintenance (#5110.42) General Fund budget lines.
3. Repairs and upgrades to the electrical services, street lights, installation of new catch basins, repaving and striping have been completed at the Village Municipal Parking Lot. Funding for this project has been provided by a NYS DASNY Grant obtained with the assistance of NYS Assembly Member Kevin Cahill. The Village Board of Trustees passed Resolution #30-2019 on 6/20/19 authorizing the Village Treasurer to utilize the Salisbury Bank Line of Credit, up to $45,000, to pay the cost of the parking lot upgrades until the awarded grant is processed and the funds are forwarded to the Village.

4. 76 stop bars (at Village stop sign intersections), 8 crosswalks and 6 bike lane symbols have been completed. The estimated $4,220.00 cost will be deducted from FY2019-2020 General Fund Maintenance of Streets/Street Maintenance (#5110.42) budget line.

5. The Village Board of Trustees is considering striping Park Avenue to narrow travel lanes to reduce speeding and provide additional parking, near Linden Avenue, for Richard Abrahams Memorial Park. Deliberations amongst the Board are ongoing and final determinations are forthcoming. An estimate from EasyStreet Cleaning, Inc. of 8/7/19, includes layout and painting of two fog lanes (2620 total feet) for the amount of $1,300.00.

6. The Highway Department started work on August 23, 2019 to replace curb stops and service connections on Benner Road from Garden Street to Zipser Drive. Work is expected to be complete in September, 2019. Costs for water service repairs and street restoration will be deducted from the FY2019-2020 Water Fund. Final repaving of this portion of Benner Road is anticipated to be completed in Spring/Summer of 2020.

7. Revenue from the sale of scrap metal was received on July 25, 2019 for the amount of $592.00. Total revenue generated in FY2019-2020 is $592.00. Since inception of the Scrap Metal Recycling Program in September, 2007, $29,299.47 has been generated.

Proceeds from this program go toward the purchase of tools and equipment for the Village Highway, Materials Management and Water Departments. Residents and businesses interested in donating scrap metal may contact the Highway Department (845-758-8600) or the Village Clerk’s Office (845-758-1081). Highway Department personnel will assist property owners by picking up scrap metal upon request.
8. Red Hook Sewer Project
   a. Meetings were held on August 9, 16, 23 and 30, 2019 in the Red Hook Village Building. Ed Blundell and Brent Kovalchik attended. The following items were discussed:
      - Review telephone call between Ron Miller (DCDOH) and Kathryn Serra (C.T. Male Associates) of 8/9/19 regarding DOH comments and responses.
      - Review Eminent Domain Proceedings end status. Initial Offerings have been made to three property owners on East Market Street. The owners are currently in a 90 day period to either accept or refuse offering. Rodenhausen Chale and Polidoro, LLP will file a petition, on behalf of the Village of Red Hook, with Supreme Court of Dutchess County to authorize the Village to file a condemnation map. This will be filed within the month of September, 2019.
      - Review telephone conversation with Lee Fleshin and Victoria Polidoro regarding RHV Sewer Use Law’s provision to review and reassess septic tank size based on expanded or diminished water use.
      - Review comments from DCDOH of 8/20/19 via conference call on 8/23/19 regarding septic capacity in peak flow and emergency situations for residential properties with 1 – 6 bedrooms, and increase in water uses for commercial properties. Review of protocol and procedures to obtain permit approvals from NYSDEC regarding transfer of SPDES Permit from Red Hook Commons Sewage Works Corp. to the Village of Red Hook, and amended SPDES Permit once the Village obtains ownership of the Red Hook Commons WWTP. Kathryn Serra (C.T. Male Associates), Ed Blundell and Brent Kovalchik participated.
      - Conference call with Chad Kurtz (C.T. Male Associates), Ed Blundell and Brent Kovalchik on 8/30/19 regarding responses to DCDOH comments of 8/20/19.
      - Review proposed amendments to the Village of Red Hook Sewer Use Law, protocol and proceedings to conduct a public hearing to amend law.

9. Village of Red Hook Water Distribution Improvements
   a. The Village Board of Trustees approved Resolution #36-2019 for the Village of Red Hook PFOA/S Removal and Water System Resiliency Upgrades – Board Resolution – WIIA/IMG Funding Application on 8/12/19. The Resolution authorized the Village to submit the WIIA/IMG grant application, authorized the Mayor to sign the application and approves of the Village to
provide matching funds required for the WIIA/IMG projects through the DWSRF.

b. New York State Historic Preservation Office (SHPO) through its Cultural Resource Information System (CRIS) rendered an effect finding (signed off – approved) for the Village of Red Hook PFOA/PFOS Removal and Water System Resiliency Upgrade Project on 8/13/19.

REGULAR BUSINESS

Mayor Blundell stated the Town Zoning Board of Appeals has a variance matter pending, regarding a private heliport to be located at Rt9/Hannaford Road, on the west side - in a large barn - The Town Building/Code Enforcement Department rejected the concept and it is now before the Zoning Board of Appeals. Mayor Blundell is inclined to submit a letter from the Village Board not in favor of a heliport pad. The Village has no direct authority since we are further than 500’ from the zone but helicopter activity would affect our residents and our air space. Trustee Laing stated the Village should trust the Town process to enforce their zoning and the Village should not get involved. Trustee Trapp stated it would increase noise and the Village should voice their opinion. Mayor Blundell made a motion to develop a letter to the Town ZBA with a potential negative of a heliport pad. Trustee Trapp seconded this motion are all in favor.

Water Loop (Hoffman, Hardscrabble and Ross) update - Engineer Plan has been submitted to the BOH - BOH has come back with some questions that have to be answered by the engineer for the customers.

Town Water Inter-Connect - 25 year connect is up for renewal next year.

CDBG - Trustee Trapp stated the application is due October 18, 2019. The Village no longer has low mod so we only qualify for ADA related projects. Reviewing sidewalks by the Elmendorph Inn. Trustee Trapp will walk Cherry Street. Mayor Blundell made a motion to schedule a public hearing October 7, 2019 at 7:00 pm. Trustee Trapp Seconded this motion. All were in favor.

RESOLUTION 39-2019

RESOLUTION _39___ - 2019
CREATE BUDGET NOTATION FOR COMMUNIPARK UPGRADES
(SUPPLEMENTAL TEXT TO RESOLUTION # 30 -2019)
Whereas, Resolution # 30-2019 was passed on June 20, 2019 to enable interim funding of Communipark improvements under the DASNY Grant until reimbursement paperwork was processed; and

Whereas, we need a method to best monitor budget lines and not confuse one-time expenses for the project with routine highway costs;

Whereas, project expenses will be gathered, paid and then sent to DASNY for reimbursement.

Therefore be it resolved that the Communipark upgrade expenses be allocated to a new budget line, 5110.48, and paid with the line of credit authorized in Resolution 30-2019. The Treasurer/Controller are authorized to review and move July 2019 expenses, and any earlier expenses, for this project from highway budget lines to 5110.48.
